Today, your camper will set out on a safari adventure and discover some amazing animal facts. You can do these activities in any order you like, extend something if your kiddo is really into it, or cut things short if they're ready to move on. *(And don't forget to schedule time to visit the canteen for snacks — camp is hungry work!)* When you're ready to get started, it's easy as 1-2-3.

1. Just bookmark **kiwico.com/camp/koala/day1**,
2. print this guide,
3. and gather your gear!

Done? High five! We hope you and your camper have an awesome time making and learning together at Koala Camp, and we'd love to see what you create. Tag us with #kiwico to show off, or just to say hi!

See you at camp!
