

do it yourself

my ice cube paints

Make your own “cool” ice paint set!

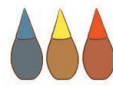

what you'll need

ice cube tray

water

food coloring

cling wrap

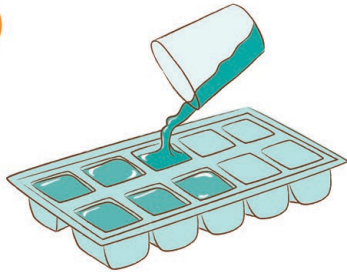

toothpicks

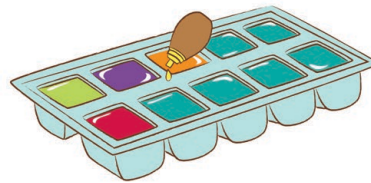

paper

1

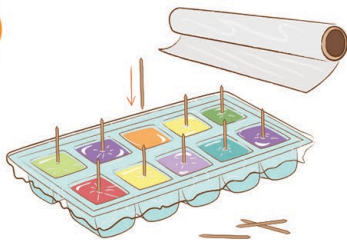

Fill your ice cube tray with water.

2

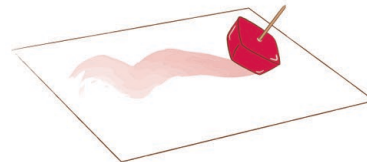

Drop food coloring into each cup.
Try mixing colors to see what you get!

3

Cover your tray with plastic wrap.
Poke a toothpick into each cup and
freeze the tray until the ice is solid.

4

Draw with your ice paints!

did you
know?

*Icebergs are giant blocks of ice that float in the ocean.
There are animals like polar bears, seals, and walrus
that use icebergs as a place to rest and hunt for food.*
