

stamp book

Use these sheets to make and fill your very own stamp book! Cut the next page in half along the dashed line. The top half will be the outside of your book. Fold it along the solid blue line and write your name on the cover. Fold the bottom sheet along the solid blue line and tuck it inside. Then cut and fold the third page the same way and add those sheets to your stamp book.

Cut out the stamps below and glue them inside, then design your own stamps on page 4.

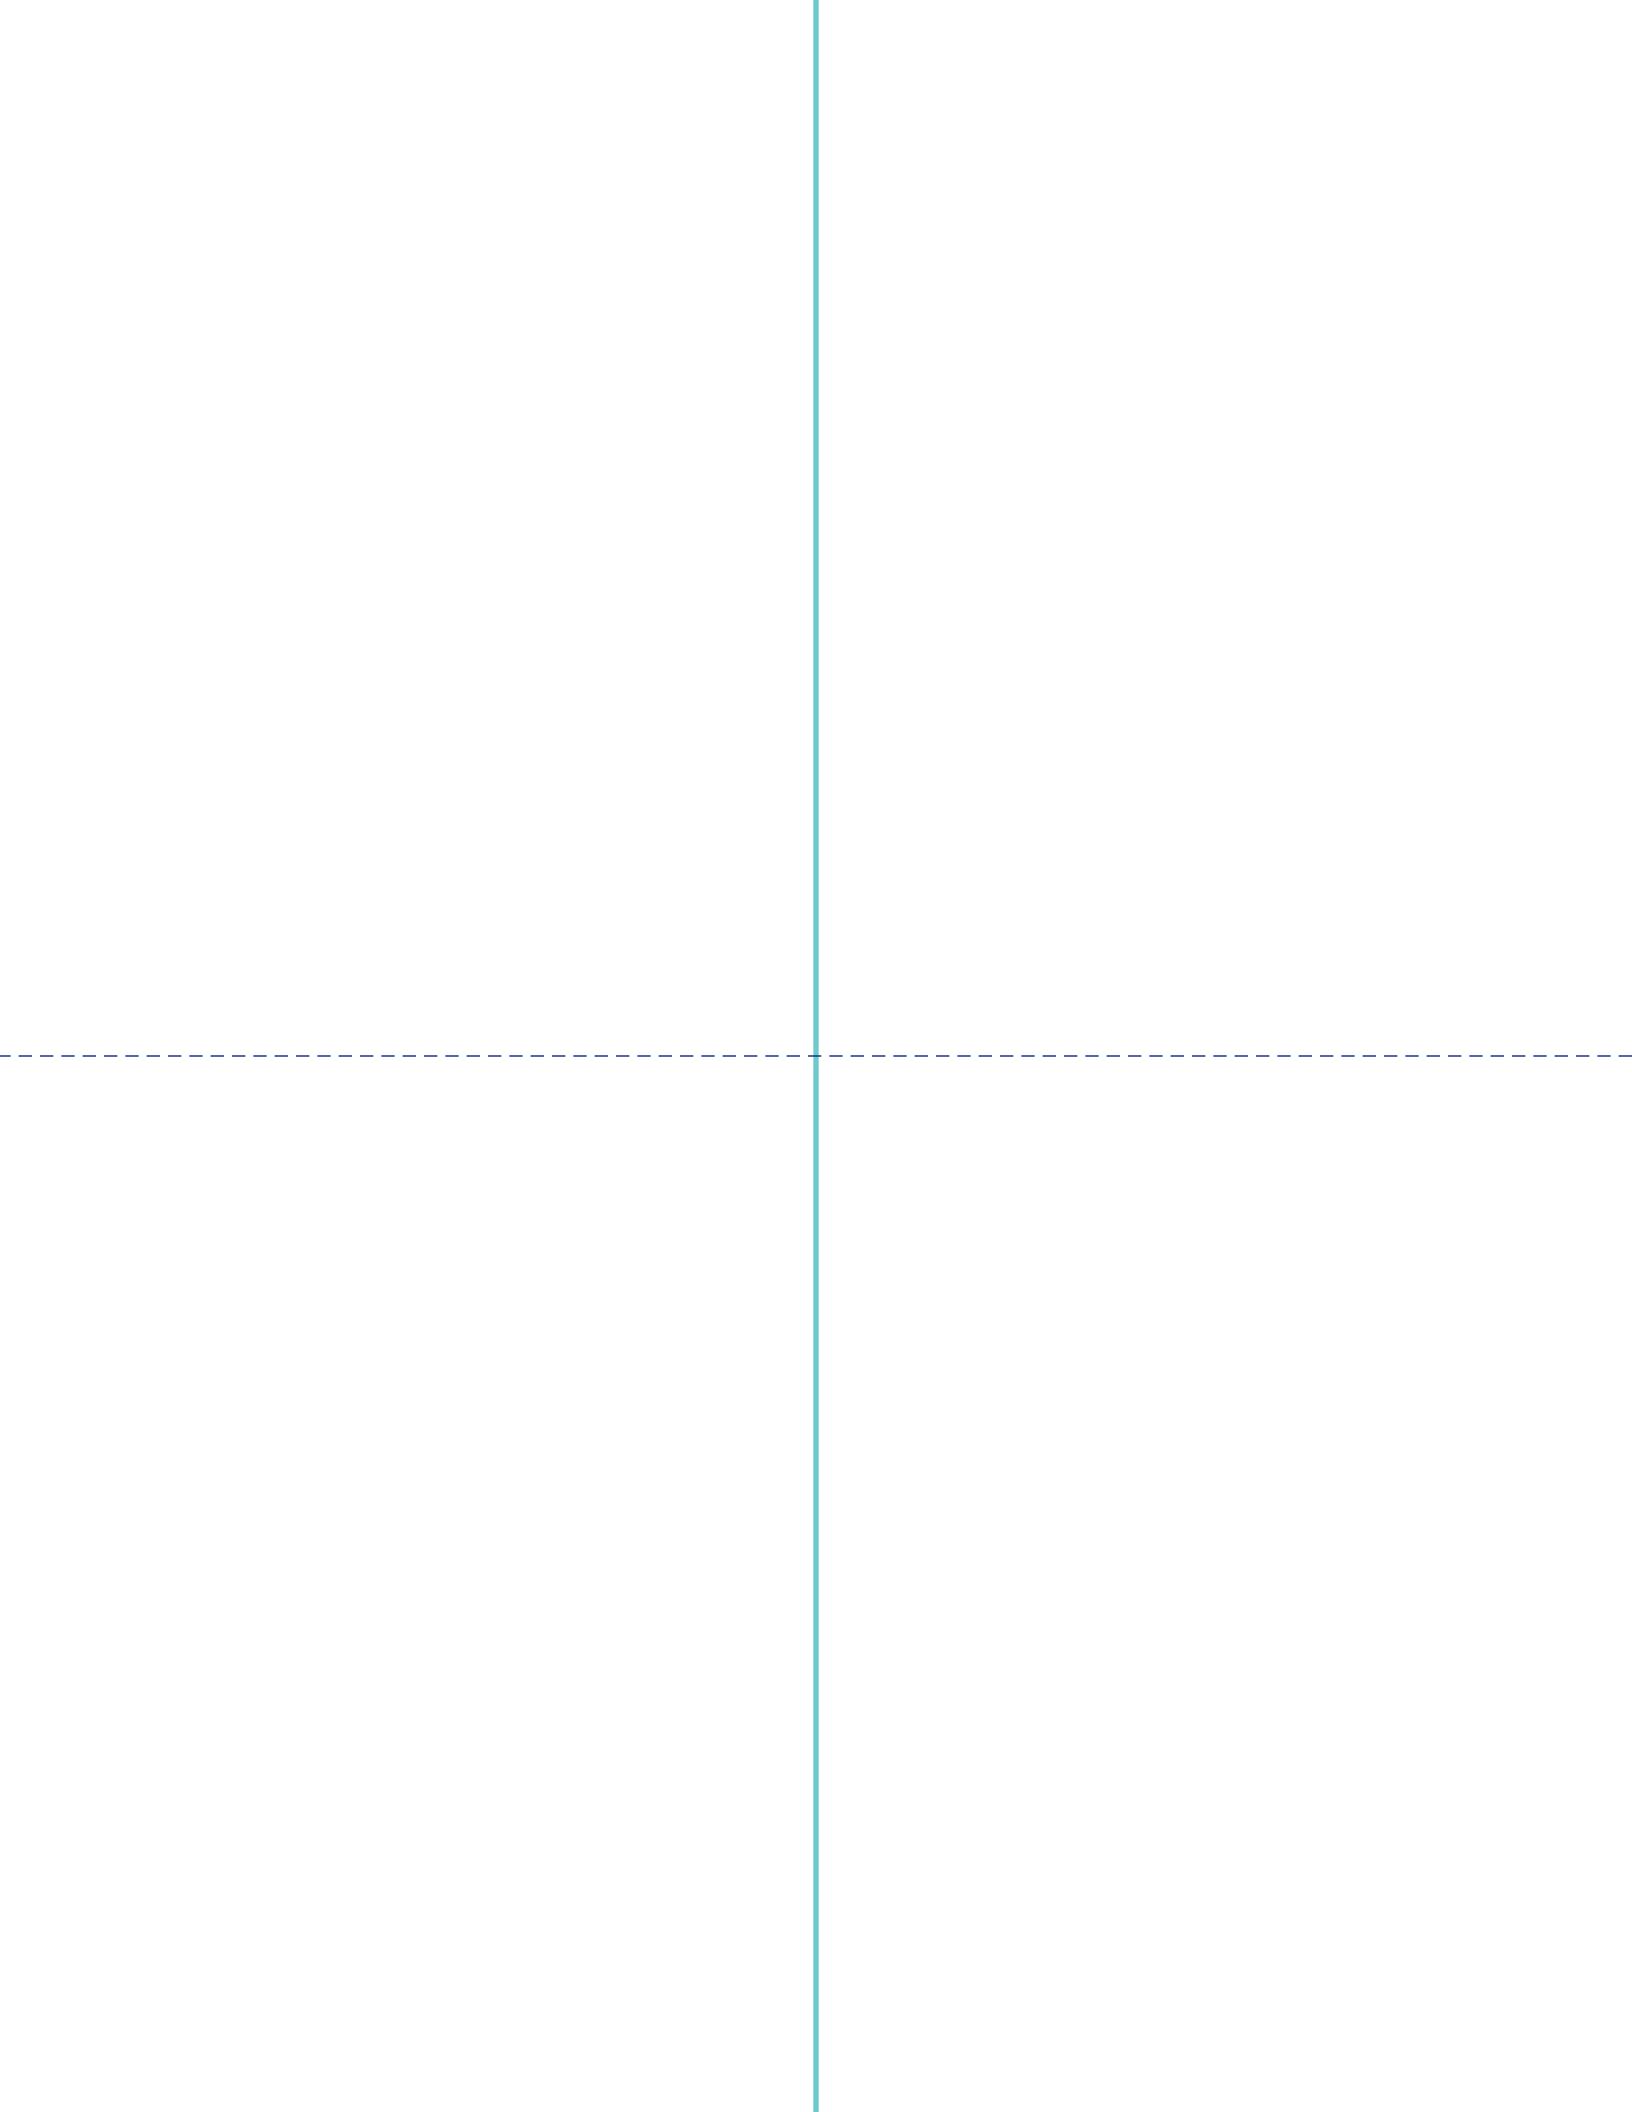

Cut and fold more blank paper the same way to add additional pages.

_____'s stamp book

stamps

Trace the yellow dashed lines to make shapes, or create your own drawings on the blank stamps. Then cut the stamps out and glue them inside your book!
